

## Testimonials

Lindsay,

Thank you for all your help in coordinating our August 29th wedding at the Hawthorne Hotel.

The wedding day was better than we could have ever imagined it to be. Everything came together so perfectly we couldn't have asked for a better day and a better place to have our wedding.

Thanks Again!

"Robert and I have catered several weddings (including a gig for 175 guests on a remote beach!) and both independently concluded that the food at Chris and Jen's wedding was some of the best we've eaten at a wedding! We'd certainly recommend it to friends for a function!"...*Cake Decorator, Ware Wedding*

"We had such an amazing day and we will cherish the memories forever. Everyone at the PEM and Hawthorne Catering really helped our dreams become reality."... *Bride, Giles Wedding*

"What an incredible event we hosted for our constituents. Selecting the PEM as our venue was sheer genius, even if I do say so myself. I can't imagine a more suitable location that aligns so well with our mission. The entire staff--both of the PEM and Hawthorne--was so professional, courteous, and ever-ready to help. Everything from start to end was seamless."

***Hi Jennifer, Lindsay and Natalia:***

We want to thank you for organizing our event on Saturday. It was a wonderful setting, the buffet was delicious and all your personal was really nice and helpful. We were both impressed by your professionalism: you made things so easy for us. All of our friends were impressed and many of them expressed the desire to come back and spend more time at the museum. Please forward my thanks to Claire-Marie who did a fabulous job as well.

***Best regards, Anne-Sophie and David***

Our family wishes to thank you and your staff for the superb service we received at Crystal and Joe's wedding. For us, it was a dream wedding. The

Atrium was set up so beautifully. We are still receiving rave reviews about the food and the staff. Lindsay, thank you for all your patience with us as we set out this first time endeavor.

Now that it's over, I understand the process so much better. I suppose that's good because my son got engaged the Saturday after the wedding. Again, thanks so much for all your help.

*Hi, Lindsay:*

Haven't talked to you since our wedding, but I wanted to check in about a few things. First: the wedding was amazing! We were so happy with the way everything turned out and we are still getting comments like "that was the best wedding I've ever been to" from our friends and family. Most importantly, Nate and I had a blast. Everyone raved about the staff and the food. Everything was delicious, but the sea bass was especially amazing. The room also looked so gorgeous. I'll be sure to send you some photos when I them back from the photographer...Thanks again for everything!

I cannot tell you enough how happy we all were with absolutely EVERY detail. My parents have been pestering me to thank you and I finally got around to it. Please pass my thanks on to Natalia as well. My mom said, and I quote, "Lindsay and Natalia were EXCELLENT! You are so lucky you have such wonderful professionals running your wedding."

We have been meaning to send this card for weeks! The wedding was simply incredible. We are so happy about everything. Everything ran so smoothly (even with the extra toast from my sister AND the impromptu toast from my brothers). Thank you for being there to co-ordinate everything. Joe, his parents, my family – we all thought the wedding was just amazing. Please count on Joe and me for a reference anytime.

*Thank you, Trish & Joe Kendall*
